

Mobile Podium

The Mobile Podium is the newest addition to Datum's product offering. Great for public speaking of any kind, the Mobile Podium works great in office environments, schools and universities, religious buildings and more.

- Heavy duty 3" casters or 2" nylon wheels make for easy maneuvering.
- Grommets in work surface, internal shelves, and side panels for cable management.
- Durable construction from heavy duty steel makes this the most durable mobile podium available.
- Metal lip on work surface keeps papers, laptops, and other peripherals from sliding.
- Internal shelves for storing personal effects, electronics, or other presentation equipment.
- Ventilation insures that any electronics stored inside stay cool with proper airflow.
- Available in 19 standard paint colors. Custom colors also available.
