

# CROSSBOW® UNIT ISSUE

THE ANTI-FOG EYESHIELD™

**AUTHORIZED  
PROTECTIVE

LIST (APEL)  
APPROVED**

## PRODUCT DESCRIPTION

When you try on the Crossbow®, you'll discover it's unlike any other ballistic eyeshield. Experience the Tri-Tech Fit™ frame that achieves an amazing universal fit with zero pressure points. Then notice the lenses. They won't fog. That's thanks to ground-breaking ClearZone™ FlowCoat technology, engineered to eliminate fog inside and prevent scratches outside. As you stare down your objective through distortion-free ESSOPTICS™, you'll see just how optically precise vision can be. When you're ready to switch tints, the innovative DedBolt™ Lens Lock pivots up for easy release, then clamps down for rock solid retention under impact. Form, Fit, Function...Perfected.
