NEW! Thong Garment Debut

Sensual lines. Thoughtful design. Healing comfort.

The graceful curves of our new thong designs cradle the body in complete healing comfort. Ideal for use following the Brazilian butt lift (buttocks augmentation) and by patients combining tummy tuck (abdominoplasty), liposuction, and butt enhancement via fat transfer. Available in beige and black.

Full Body Thong

Promotes beautiful healing results following the Brazilian butt lift (buttocks augmentation), liposuction, abdominoplasty (tummy tuck) and breast surgery.

Abdomen Contour Thong

New, innovative design enables you to heal comfortably from multiple surgical procedures, including buttocks augmentation (Brazilian butt lift), body lift, gastric bypass, and liposuction.
