

**Curtis Greco, Author/Analyst and Founder of The Imperfect Messenger Foundation  
OFFERS INFORMED Analysis on critical issues of the day.**

**Do any of these 3 Hot Topics sound like stories that would interest your Listeners?**

**HOT TOPIC #1: *The Presidency or Congress – Which Matters Most?***

**...here is a sampling...**

- As **2012** approaches, the **American People's** regard for Leaderships Has **Soured**: Looking forward, on which Branch of Gov't should the **People focus their Votes**?
- The **President** is schedule to release his **Latest Economic Stimulus Plan**: With the Congress in Shambles, is there any Hope of a **Positive Outcome**?
- What is about the **Presidents Leadership Style** that keeps him at **Constant Odds** with both the Congress and the American People?
- You've stated repeatedly that "**Congress fails by its subscription to an ideological flaw** when what it should be doing is **subscribing to a National Ideology.**" Is this the source of Americans growing Ire?
- **Sen. Ron Paul** has long been thought of **Eccentric**. Why then is he frequently Mimicked by other Candidates and increasingly favored by Voters? Why is so **Feared by the GOP Establishment**?

**HOT TOPIC #2: *Senator Coburn (R-Ok) – "We have less than 16 months to fix this...."***

**...here is a sampling...**

- In your recent article, **Media, Politics & Discrete Indiscretions** you highlight **Sen. Coburns** comments: **What should Americans Know** that Gov't seems Bent on Ignoring?
- The **12 Member Super Committee** is busy with working on Cuts but you say there roll is Largely **Irrelevant**. Is this because **Debt-Limit Increase is Approved** or is it **what they will Likely Cut**?
- The **Rate of Inflation is up 230%** in the past 8 Months; Is this the price of **uncontrolled Monetary Policy**?
- Monetary Economic Theorists have **Long Held that Inflation is a sign of Economic Growth** but if you look at the Finances of **the American People, why hasn't it worked**?
- **The E.U.** is having Severe Economic Problems: Why is a E.U. Banking Collapse so Dangerous for the U.S. Economy?
- Of the **Current Crop of Presidential Candidates**, who do you see as the **Most Capable**?

### **HOT TOPIC #3: *The Economy: Jobs – It's Environmental!***

...here is a sampling...

- You are well known for your success as a business and financial analyst; explain the concept of “Reformulation?”
- **The U.S. is suffering** from as you put it, “A complete **departure from sound fiscal and monetary policy and the Socialization of the Market Economy.**” Is this what you refer to as the “Environmental Flaw?”
- Many say that **Small Business is the key to restarting the U.S. Economy;** what is the best way to create jobs?
- When you say “...it’s not sufficient just to create jobs, we need to **restore the wealth creating model** this country perfected.” What’s the difference?
- I liked your term “**The overbite of government is a national pandemic.**” If you pull Government out of the regulatory process, **who “checks” Business Excesses?**
