

WHIRLED PEAS®

WELCOME TO THE PARTY!

Manufacturer's Description

Whirled Peas® is an infectious, laugh-out-loud-funny and fast-paced party game featuring five unique, creative and often raucous ways of communicating. Whirled Peas is perfect for teens, family game nights, and adult gatherings. Everyone plays every turn, and no one stays sitting down for long. "Welcome to the Party!"

Product Description

In this original party game, 2 teams alternate turns, spinning the Pea-King spinner, determining which of 5 the categories they'll attempt: "Zip Your Lips," "Putty Pal," "Back Tracks," "Clap Trap," or "Sketch Coach." Players are chosen to work together to "communicate" the answer. Teams then furiously race simultaneously to shout the correct answer. Winning Teams receive peas for their team's peapod. The first team to fill their peapod wins! More Info: <http://on.fb.me/whirledpeasgame>
