## skin rejuvenation

*Dramatically improve the appearance and vitality of your skin - safely and comfortably.*

### MATRIX RF SKIN RESURFACING

Banish lax and rough skin, wrinkles, superficial skin lesions and acne scars with this revolutionary new treatment. Results are comparable to the ablative laser procedures such as Fraxel with little or no downtime. FDA-approved.

### FOTOFACIAL

Reduce redness, rosacea, wrinkles, spider veins, broken capillaries and age spots. Particularly effective in improving age and sun-stressed skin. FDA-approved procedure.

### REFIRME SKIN TIGHTENING

Ideal for signs of aging including sagging neck and jowls, “bags” under the eyes, and facial creases, and reducing sagging skin on the abdomen, upper arms and knees. FDA-approved.

### MATRIX IR SKIN RESURFACING

Deep dermal healing restores fullness to the skin and eliminates fine lines and wrinkles. The innovative Matrix IR technology stimulates collagen production to achieve superior results.

## skin resurfacing

*Our innovative skin resurfacing procedures – the simple way to a more youthful appearance.*

### CHEMICAL PEELS

Reduce and alleviate a host of skin problems and blemishes - fine lines, wrinkles, uneven pigmentation, acne scarring, sun damage and skin blotches – with quick and effective superficial and medium peels.

### MICRODERMABRASION

The simplest skin resurfacing technique - Exfoliate damaged skin and decrease your fine lines, wrinkles and acne scars, and reduce mild pigmentation irregularities, stretch marks and age spots.

### MICRO PEEL

Physical and chemical peeling action combine to smooth and brighten your skin, improve its texture, color and overall appearance, while reducing discoloration and softening the complexion.

### INNOVATIVE FACIAL

A small step beyond a traditional facial, this mild chemical peel is perfect if you're looking for dramatic results without a full peel.

## ethos spa facials

*Improve your appearance and pamper your senses  
with our exclusive facial treatments!*

### ETHOS SIGNATURE ANTIOXIDANT FACIAL \$115.00

This Ethos Signature Antioxidant Facial deeply cleans pores and gently exfoliates dull skin cells, restoring the skin to a vibrant complexion. *(1 hour & 15 minutes)*

### RENEWAL OXYGEN FACIAL \$110.00

Revive your skin any time of the year with this popular recuperative facial that improves tissue respiration and stimulates the skin to free pollutants and toxins, finished with a revitalizing oxygen mask. *(1 hour & 15 minutes)*

### CHAMOMILE SENSITIVE FACIAL \$110.00

No need to feel left out just because you're feeling sensitive. This facial targets dehydration, redness, couperose and rosacea – thanks to a special chamomile cooling mask high in minerals and vitamins. *(1 hour & 15 minutes)*

### DEEP CLEAN FACIAL \$115.00

This service is perfect for combating the challenges of breakout prone skin. The skin-smoothing vitamin clarifying mask and anti-inflammatory properties make this an ideal facial for treating acne. *(1 hour & 15 minutes)*

### ULTRA RELAX BACK FACIAL \$100.00

Alleviate the stresses of everyday life while giving those hard to reach areas the deep cleanse they deserve. This stimulating back “facial” includes exfoliation, massage, and a warm paraffin mask. *(1 hour & 15 minutes)*

### RED CARPET FACIAL \$95.00

Gently slough off dead skin cells and hydrate the smooth layers beneath. This mini-treatment uses refreshing serums combining superior antioxidants, essential botanicals and bionutrients. *(30 minutes)*

## dermal fillers

*Smooth wrinkles and reduce lines and creases  
with quick, safe and easy FDA-approved treatments*

### BOTOX

Smooth moderate to severe forehead creases, frown lines, and wrinkles around the eyes with the most common cosmetic procedure performed today.

### JUVEDERM

A revolutionary dermal filler made from a hydrating agent naturally found in the skin. Add volume and remove wrinkles with immediate results.

## body smoothing

*The sculpted shape and smooth skin you've wanted is here -*

### BODY SHAPING WITH VELASHAPE

Take inches off your thighs, waist, buttocks and other problem areas quickly, easily and safely. The only non-surgical FDA-approved medical solution for circumferential reduction.

### LASER HAIR REMOVAL

Remove and permanently reduce unwanted hair quickly and comfortably. Our Elos laser hair removal system is the new standard in speed, safety and efficacy for permanent hair reduction.

# the ethos skincare boutique

*See our select line of professional skincare products.  
Use them to restore and maintain your skin's health,  
and improve the results of spa treatments. Available  
only through dermatologists and physicians.*

## iS CLINICAL

*Proven skin rejuvenation*

iS Clinical bio-complex ingredients include innovative natural hydrators and potent botanical antioxidants. They are proven to reduce lines, wrinkles and skin irregularities. Additionally, it can be used safely and effectively in cancer patients and pregnancy.

## AVENE

The world famous Avene Thermal springs in France is the source of the mineral-rich waters used in these products – clinically proven effective for the care of sensitive skin.

## GLYTONE

*A complete system for total skincare*

Rejuvenate and protect skin affected by aging, sunspots, sun damage, and keratosis, and with this highly effective family of exfoliating agents with glycolic acid.

# your ethos spa experience

## PRIVACY AND CONFIDENTIALITY POLICY

We maintain a strict privacy policy and keep all our clients' information confidential. For added privacy, we have a back entrance as well as front entrance to our spa available for clients' use. In consideration of others, we ask that you please turn all cellular phones to silent, and that you make or take any necessary calls outside the spa area.

## SALON POLICY

We ask that children requiring supervision not join you for your spa services as the treatments are not suitable for multiple persons in treatment room.

## POST PROCEDURE HOME CARE

Each client receives personalized post-procedure care from our board certified physicians and medically trained aestheticians. Follow all home care instructions. We will contact you within 48 hours of treatment to discuss results.

## GRATUITY POLICY

Please note that our physicians do not accept gratuities. However, your aesthetician is permitted to accept them if you wish to express appreciation that way.

## RETURN POLICY

We are happy to accept returns, less shipping charges, on all products. Returns are accepted within 30 days of purchase for full store credit.
