

# Fastest-growing S.A. companies

Twenty-six San Antonio companies made Inc. Magazine's 2011 list of the 5,000 fastest-growing private companies, based on their increase in revenue for the three years ending in 2010. Texas had 346 companies make the list, second behind only California, with 677 companies. New York was third with 341 companies. Here are the San Antonio companies that made Inc.'s list.
