Mental Health Professionals: Help our Service Members, Veterans, and their Families Combat the Psychological and Emotional Effects of War

Give an Hour™ is joining with Points of Light and the HandsOn Network and partnering with the American Association of Pastoral Counselors, American Psychiatric Association, the American Psychological Association, the National Association of Social Workers, and other national and state associations to engage mental health professionals in recognizing the 10th Anniversary of the September 11th attacks.

Please visit www.911dayofservice.org to make a tribute using the following language:
