**CINCINNATI, OH – September 8, 2011** – In a very literal demonstration that it is a company that “walks the talk,” PowerNet Global has signed on as a Trailblazer sponsor for the PregnancyCare of Cincinnati Walk for Life that will be held on Saturday, September 17, 2011 at Winton Woods.

“This sponsorship level represents a significant commitment, investment, and endorsement to the Cincinnati community,” said PregnancyCare Development Director Steve Stephenson. “Through this level of sponsorship, we are able to devote our time and energy towards our real focus: helping women and families with some overwhelming needs.”

“At PowerNet Global, we judge our success by more than just what we’re able to achieve but rather, what we’re able to give back. Besides doing business, supporting our community is one of our biggest priorities and we are always focused on finding more ways to help out,” said Bernie Stevens, President & CEO of PowerNet Global.

Headquartered in Cincinnati, Ohio, PowerNet Global provides communications services to businesses and residents nationwide. As one of the Tristate’s largest telecommunications providers, PowerNet Global is able to offer phone and Internet services at competitive rates.

PregnancyCare of Cincinnati has been loving lives and healing hearts in Cincinnati for over 26 years. By providing free pregnancy tests, parenting classes, material resources, and medical referrals, PregnancyCare’s three centers served thousands of Cincinnati residents last year. PregnancyCare is able to offer all of its services at no charge to clients because of supporters like PowerNet Global.

The 2011 Walk for Life benefit will raise vital funds so that PregnancyCare may continue to serve the community. The Walk will be on Saturday, September 17, 2011 at Kestrel Point in Winton Woods. Participants will enjoy a free breakfast that will be followed by a recreational 2-mile walk. Lunch at this family-friendly event will be provided by Funky’s Catering.
