Sao Paulo Airport Marriott Hotel Celebrates Ten Years Partnership with Deville

Of all the airport hotels in Sao Paulo, few have the history and legacy of the Sao Paulo Airport Marriott Hotel, which honors its partnership with Deville with a new hotel deal.

Sao Paulo, Brazil – This month, the [Sao Paulo Airport Marriott Hotel](#), located five minutes from Guarulhos International Airport, completed ten years of operation under Marriott International. The hotel was the first Marriott franchisee in Latin America. The property, which belongs to the Brazilian hotel chain Deville, also became the first five-star standard hotel near an airport in Brazil.

"In 2001, Deville identified a competitive market in the region of Guarulhos with the growth of industries and Cumbica becoming the largest airport in Brazil," said Joao Paulo Berger, General Manager of the Sao Paulo Airport Marriott Hotel.

"When looking for a strategic partner, we found that Marriott International was the best opportunity to further develop this property. Along with Marriott, we aligned the best practices of both companies, which has made the hotel as one of the best of Brazil in the care of executives and business tourism and events."

This [Sao Paulo Airport hotel](#) has recently received a number of prestigious awards, such as the World Travel Awards and the Skytrax World Travel Awards.

The hotel has relied on the service quality provided by Marriott, present in all its properties in the world. Partnering with Marriott, Sao Paulo Airport Marriott hotel has counted with savvy service, which is translated by its staff who anticipates the guests' needs,

To celebrate this ten year anniversary, this Sao Paulo Airport hotel is offering a new special deal. Since so many business travelers enjoy the comfort of this Guarulhos Airport hotel, the Sao Paulo Airport Hotel has created a new business package which includes a deluxe room, in-room high speed Internet access, breakfast at the Café Deville Restaurant, complimentary parking for one vehicle and a complimentary transfer to the airport.

This [Sao Paulo business special](#) is available now until December 31, 2011, using promotional code W13.

The property has just undergone an upgrade that includes a new lobby, reception, bar and restaurant. The new Great Room has become a functional and pleasant environment that meets travelers' needs for both business and leisure. The new space allows the fusion of social and commercial activities, both individually and in small groups. The concept is focused on meeting the demanding standards of travelers who work non-stop, 24 hours a day, 7 days a week, and a smooth transition between work, flights, relaxation and socialization. In 2011, the Sao Paulo Airport Marriott Hotel will also begin the modernization of all its rooms, according to the standard Great Room.

About the Sao Paulo Airport Marriott Hotel

Opened in 1993 by hotel chain Deville, the Sao Paulo Airport Marriott Hotel offers luxurious accommodations near the Guarulhos Airport. After identifying this competitive market, Marriott International teamed up with the Deville hotel chain and turned the Sao Paulo Airport Marriott hotel into first franchised Marriott property in South America, but retaining Deville as the owner. With a forte in tourism and business events, the Sao Paulo Airport Marriott was the first five-star standard hotel near an airport in Brazil. It is strategically located five minutes from the Guarulhos International Airport and offers top-notch services and facilities to both the leisure and business travelers.
