BRIEF AGENDA

TOPICS FOR THE DAY INCLUDE:

See the latest in digital dictation and speech recognition technology including our Client-Side Speech Recognition Module and numerous NHS Trust integrations

The day is free to attend and will include refreshments and food throughout along with post event drinks from 5pm onwards

Hear from Olympus and BlackBerry on their latest Healthcare offerings

Learn how to write your own business case for digital dictation – Jenny Blundell – General Manager, Guys & St Thomas' NHS Foundation Trust

Hear from existing BigHand clients

A chance to speak directly to BigHand's UK Development Team

Hear from members of Nuance on their speech recognition platform

There will be prizes and giveaways

With over 15 NHS Trusts already attending the conference, it is a great chance to network with your peers from a number of NHS Trusts and other Healthcare organisations.

You will also have the opportunity to chat with sponsors and exhibitors about products and services that are complementary to BigHand.
