

Morgan Drexen A Philanthropic Approach

CHOC Children's

The Children's Hospital of Orange (CHOC) is just one of the charities supported by Morgan Drexen. For more than 45 years, CHOC Children's has been steadfastly committed to providing the highest quality medical care to children. Affiliated with the University of California, Irvine, our regional pediatric healthcare network includes a state-of-the-art 238-bed main hospital facility in the city of Orange and a hospital-within-a-hospital in Mission Viejo.

Each year a group of local business leaders and residents get together under the direction of Executive Producer Gloria Zigler to create an extravaganza to raise money for CHOC. The show known locally as the CHOC Follies raises hundreds of thousands each year.

Morgan Drexen's Involvement 2012

In 2012 the Follies will celebrate it's 15th year and Morgan Drexen will play a pivotal role in raising both awareness and funds for this event.
