

## **Morgan Drexen and Make - A- Wish ® Orange County, California**

The Make-A-Wish Chapter of Orange County and the Inland Empire fulfills wishes to children who confront life threatening medical conditions.

Morgan Drexen CEO Walter Ledda was inspired by the work of the Orange County Make-A-Wish® Foundation in supporting their work [Morgan Drexen](#) sponsored a wish child in 2010. In 2011, it was the sponsorship of Alexis that lead to a strong team of 68 Morgan Drexen employees walking to raise enough funds to send Alexis to New York. 2 miles and \$5,500 later the dream trip for Alexis was granted.
