

About the ANNIKA Foundation

The ANNIKA Foundation teaches children the importance of living a healthy, active lifestyle through fitness and nutrition, and offers aspiring junior golfers opportunities to pursue their dreams. The Foundation has partnered with several key organizations to promote healthy and active lifestyles for children, including SPARK, the leading physical education program for schools; Florida Hospital for Children, supporting its *Healthy 100 Kids* initiative; and The First Tee, developing the *Nine Healthy Habits* curriculum for children. The Foundation annually conducts three major golf events for aspiring junior girls, including the *ANNIKA Invitational* at Reunion Resort in Orlando, Fla., the award-winning American Junior Golf Association (AJGA) event; the *ANNIKA Invitational* at Mission Hills in China for top Asian juniors; and the *ANNIKA Cup*, a team event for the top juniors in Sweden. The Foundation awards SPARK grants to schools, is a financial supporter of *Healthy 100 Kids*, and has endowed an ACE scholarship with the AJGA. Other key Foundation initiatives include *ANNIKA Junior Day*, the ANNIKA Inspiration Award and scholarships for aspiring Swedish juniors.
