MAKE IT HAPPEN!

Hunt for the Cure for Bone Marrow Disease

Jungle Jam 2011

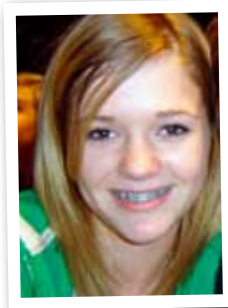

The "Make It Happen 4 BMD" Foundation was started in honor of Annalyse Kitzberger, who was only 5 years old when she was diagnosed with 2 life-threatening diseases; Aplastic Anemia and Paroxysmal Nocturnal Hemoglobinuria (PNH). The only "cure" is a Bone Marrow Transplant. Annalyse does not have a match.

Our goal is to provide much-needed funding for research towards a cure for Bone Marrow Diseases, including Blood Cancers and Disorders! All funds raised will go directly to Dr. Jaroslaw Maciejewski MD, PhD, FACP; Chairman, Department of Translational Hematology and Oncology at The Cleveland Clinic Taussig Cancer Institute and his research team to continue the
