PreGame Lacrosse, a college lacrosse recruiting service established by renown college lacrosse coaches, Jim Stagnitta and Tony Seaman announce first seven tour event dates highlighted by partnership with the Orlando Open Lacrosse Tournament December 17-18, 2011.

Skillman, NJ- October 4, 2011 PreGame Lacrosse has announced the first dates of their college lacrosse recruiting evaluation tour, beginning with inaugural event on October 16, 2011 at Pope High School in Marietta, Georgia. Each event is limited by position to 88 total high school-aged players. PreGame Lacrosse coaches will spend a full day coaching, testing and evaluating players in a number of different drills and live game play, followed by a comprehensive recruiting seminar for players and their families.

The focus of the lacrosse-recruiting event is to provide players and their parents with a starting point for the college lacrosse recruiting process. Each event will begin with an unbiased evaluation by former college coaches to help provide players with aspirations of playing lacrosse in college with a realistic starting point. An informational college lacrosse-recruiting seminar will be provided to both players and their parents at each event, giving PreGame Lacrosse participants the tools necessary to begin navigating the often-difficult journey faced in the recruiting process.

Players receive an individual personalized evaluation consisting of sport specific testing numbers, skill assessment and potential levels of college play, along with information on how to improve and maximize their opportunity to be recruited. At the conclusion of the PreGame Lacrosse nation-wide tour, top players from each event will be invited, by position, to attend the PreGame Lacrosse Select 120 exposure event to be held in June 2012. PreGame 120 is a college exposure event specifically for the elite PreGame tour participants.

PreGame offers more than single day events. There are many options available and more comprehensive individual programs for players who are unable to attend a scheduled PreGame event. Please visit www.pregamelacrosse.com for a full list of services, check tour dates, locations and to register.

Lacrosse parents from Virginia praise the efforts of Pregame: "The PreGame Lacrosse coaches helped us understand the many pieces of the lacrosse recruiting puzzle and what is important in selecting a college that fits our son's lacrosse and academic needs. They explained how the process is different for each division and other valuable information on the recruiting process. Their advice was helpful and helped us understand how to better help our son through the process." Rob and Jennifer Minniti.

The PreGame tour will continue with stops in Lexington, Kentucky, Cincinnati, Ohio, Hamden, Connecticut and Long Island, New York. Please check the PreGame Lacrosse website for tour dates. The tour will finish out the year in December with tour stops in Phoenix, Arizona, and Houston and Austin, Texas.
