

"TOWER Mobile is the first time I've been able to observe both the teacher and the learner."

"TOWER eliminates excessive teacher observation paperwork."

RANDA TOWER System was written with educators for educators, with the benefits they wanted the most:

- ▶ **Paperless.** Observers and administrators save time. Observations improve. Data is accessible and usable.
- ▶ **Manageable.** Straightforward observation and walkthrough scheduling. Trouble-free progress monitoring.
- ▶ **Easy!** Simple to learn. Simple to operate.
- ▶ **Mobile.** Synchronization offers mobility and security without 100% wifi coverage.
- ▶ **Your rubrics!** Flexible, to change as your state requirements change.

RANDA TOWER Mobile is a powerful, intuitive TOWER System extension. Available in both iPad and Android versions, TOWER Mobile is provided at no additional cost.
