

# WHIR Events Europe: Amsterdam, Berlin, Paris, London in Spring 2012

## Web Hosting Industry Networking Events

WHIR Events offers those interested in the web hosting industry a chance to do face-to-face business and networking with executives, solution providers and corporate decision makers in a relaxed environment with complimentary drinks and appetizers. Our goal is to provide a local venue for you to do business, make new connections and learn more about those in our exciting industry.

## Who WHIR Events Are For

This is an opportunity for you, no matter how you are connected to web hosting, to mix and mingle with other industry-related individuals. Whether you are a hosting company executive, a web hosting reseller, an IT consultant, a peripheral service provider to the web hosting industry, or a web hosting customer, this event is for you - our readers and clients.

## Sponsor Supported Evenings

The best part is that these Web hosting events are sponsor supported, so it's **FREE FOR YOU** to not only attend, but to eat, drink and be merry.

## Sponsor WHIR Events Europe

5,000 Euro per event

### What you get:

- logo on WHIR Event page
- logo on email invites and reminders
- rotating 728x90 banner on whirevents.com

- opportunity to distribute marketing materials or promotional items
- a few minutes on the mic to introduce your company
- your logo on display at event
- provide a door prize and gain access to attendee contact data
- exposure on whirevents.com all year!
- brief WHIR TV interview

For more information about sponsoring WHIR Events visit <http://www.thewhir.com/whir-events/sponsor>

"The Chicago WHIR event was fantastic! It was my first (WHIR event noob), but I am already looking to attend another event. This was a really, really good time. Thank you WHIR."

- Thomas Raef  
- Owner,  
WeWatchYourWebsite

"I was extremely impressed with the event and will be attending many more. For anyone who is serious about networking in the web hosting industry, these events seem to be a 'can't miss.'"

- Darren McLaughlin  
- President at MostHost
