

## CAREERS AT FARM CREDIT

### WHO WE ARE

- The Farm Credit System is a nationwide network of financial institutions with the specific mission to provide sound and dependable credit and related services to agriculture and rural America. **Farm Credit has been fulfilling this mission for 95 years.**
- The System is made up of **more than 80 retail lending associations** that provide credit and related services to rural America, and several regional wholesale banks that provide funding for Farm Credit's retail lending network.
- Farm Credit finances **nearly 500,000 customer-owners**, providing needed funds for everything from cattle and chickens, to wheat and apples, to cotton and timber. Farm Credit funds **both organic and conventional operations**, large and small, with owners as diverse as the crops they grow.

### WORKING AT FARM CREDIT

- Farm Credit offers a professional and supportive work environment, with many **educational and training opportunities** for its nearly 12,000 employees.
- Strong compensation and benefits packages attract the highest quality employees – those who demonstrate **talent, passion, integrity, creativity** and **professionalism**.
- Employees are passionate about the Farm Credit mission, knowing that they are contributing to the agriculture industry – **financing the crops that feed the U.S. and the world.**
- Many Farm Credit organizations are **hiring now for positions** in: credit, finance, leasing, human resources, insurance, audit, information technology, legal and marketing.
- Because of Farm Credit's national scope, **positions are available across the country**, in both metropolitan and rural areas.

### WHAT FARM CREDIT EMPLOYEES SAY

“ **People here believe in the mission** of the bank and feel like their job makes a difference. ”

“ I get satisfaction knowing that **I'm providing a service to the heart of America.** ”

“ We're a relationship lender that **stands with customers in good times and in bad.** ”
