Boys and Girls Clubs of Broward County Selects DonorCommunity Software Platform for Online Fundraising, Communications and Event Management

DonorCommunity to Replace Legacy Collection of Standalone Systems with a Fully-Integrated Cloud Computing Solution

SUNRISE, FL October __, 2011 – DonorCommunity, Inc., developers of an innovative cloud computing software platform for nonprofit organizations announced today that Boys and Girls Clubs of Broward County has become the latest nonprofit organization to select DonorCommunity as its strategic software platform for fundraising, website content management, online communications and event management. B&G Clubs selected DonorCommunity after a comprehensive evaluation of nonprofit software products and an in-depth technical review of DonorCommunity’s cloud computing technology.

“We concluded that DonorCommunity is the most complete, flexible and cost-effective nonprofit software solution available today,” said [REDACTED]. “With DonorCommunity, we’ll be able to manage our website, communicate with stakeholders, raise funds online, and manage our events more easily and efficiently than ever before. We’re excited about our new capabilities to pursue our mission and goals in serving our stakeholder community.”

“The Boys and Girls Clubs have earned the admiration and respect of a grateful nation for the important role they play in helping young people reach their full potential as productive, caring, and responsible citizens,” said David Blyer, DonorCommunity founder and CEO. “We’re pleased and honored to welcome such a prestigious organization to our community of clients.”
