### Sculptra - Save Up to \$150\*

Now through December 31st, **Save \$50** off each vial of Sculptra (up to 3 vials, \$150) with rebate. Ask us for full rebate terms and conditions.

#### How Does Sculptra Work?

By replacing lost collagen, it provides a foundation that gradually restores the look of fullness of shallow to deep facial wrinkles that have been depleted over time.

#### The result?

Sculptra gradually and subtly corrects your facial wrinkles over a series of 3 treatments (on average). This can provide a refined, more youthful looking appearance that can last two years or more!
