

Dear Members and Friends,

Love cats? Want to help the stray, free-roaming cats in your neighborhood? Currently caring for community cats?

Best Friends wants to help by hosting a seminar on simple, safe, and compassionate ways to care for community cat colonies in Palm Springs.

WHEN: Saturday, June 4, 2011
1:00 pm - 4:00 pm

WHERE: Renaissance Palm Springs Hotel
San Jacinto Meeting Room
888 Tahquitz Canyon Way
Palm Springs, CA 92262

RSVP: Robert McKechnie at
bobmckechnie@earthlink.net
or call (760) 567-6464

Your friends are welcome too!

We will discuss:

- The basics of Trap/Neuter/Return (It's easier than you think and it's the only proven, humane method for controlling community cat populations!)
- Understanding relocation
- Working with your neighbors on nuisance concerns
- Working with your local vets
- Working with your local government and animal control

And much more!
