

Reaching out this Holiday Season

to help others

Intelligencer Printing Company is participating in the 5th Annual Warm Coats and Warm Hearts Coat Drive presented by Burlington Coat Factory and One Warm Coat for a special November offer.

For every print order you place with Intelligencer during the month of November, we will donate one new child's winter coat to the Warm Coats and Warm Hearts Coat Drive.

That's right with every print purchase you will also be donating a winter coat for a child in need. Coats will be distributed by One Warm Coat to a local charity in the Intelligencer's local community.

Thank you in advance for helping us help others in need.

For more information about the Warm Coats and Warm Hearts Coat Drive go to www.BurlingtonCoatFactory.com
