Golder Markets goldermarkets.com expands in New Zealand – licensed and regulated as Financial Service Provider under FDR membership!

Wellington, New Zealand – November 2011

Golder Markets Ltd (www.goldermarkets.com), an international multi-assets online regulated and licensed brokerage firm, announced the establishment of the New Zealand branch to respond to growing demand from the sophisticated trader and investor base in upcoming Asia Pacific markets.

Through [Golder Markets](#) New Zealand branch, GML Golder Markets Limited (registration number 3621811) is a member of the Financial Dispute Resolution Service (NZ) (membership number FM0970) and is registered in the Financial Service Provider Register of New Zealand (FSP181044) as obligated by law.

The opening of the New Zealand branch is a strategic move by Golder Markets to strengthen and expand its position as a leading provider of online trading and investment solutions in the Asia Pacific. Since its foundation, Golder Markets has been providing superior online trading services

in Forex, CFD and precious metals and has become, within a short period, one of the upcoming players in the area of online Forex trading. Through this expansion, Golder Markets will be adding more stringent trading facilities.

As a New Zealand Financial Service Provider (FSP), GML Golder Markets Limited is registered to provide the following financial services:

- Providing wholesale and/or generic financial adviser services
- Broking services
- Keeping, investing, administering, or managing money, securities, or investment portfolios on behalf of other persons
- Changing foreign currency
- Providing forward foreign exchange contracts
- Entering into or trading on an exchange, in an over-the-counter market or otherwise service

Kate Thompson, Global Head of Marketing, Golder Markets Ltd said: “On top of providing clients fund safety with fully segregated and protected facility under worldwide leading banks, Golder Markets implements strict financial standards including capital adequacy requirements and anti-money laundering policy. Today’s announcement marks a new milestone and gives our clients the utmost confidence and reliability when they trading with Golder Markets. We are really fervent about this new growth and are particular that the customers will take great results and feedback from traders.”
