

CallMultiplier* is your automated voice message broadcast solution!

Is CallMultiplier* right for you?

If you occasionally need to get in touch with a lot of people to deliver important and timely information by telephone, CallMultiplier* can broadcast your message to everyone in your group quickly, easily, and affordably!

Here are just *some* of the *many* ways that businesses and organizations are using CallMultiplier*

SPORTS

Now you can be sure that everyone on the team will get the word on last-minute changes, game cancellations, severe weather warnings, or special events. That means more time for fun.

BUSINESS

Deliver real-time updates to your clients and employees on meetings, events, and rapidly changing information. Remind people about deadlines and get your message heard.

RELIGIOUS GROUPS

Record a message for your entire congregation, and use CallMultiplier to broadcast your message to mobilize volunteers, publicize special events, or call your flock to action!*

AND SO MUCH MORE...

For schools, scouts, clubs, civic groups, etc., real time notifications of schedule changes, event updates, weather changes and emergency announcements. The possibilities are endless!
