The focus of these partnerships is to educate, evaluate and ultimately help athletes and parents navigate the recruiting process.

Club Teams are equally enthusiastic about their newly formed partnership with PreGame Lacrosse.

“I think its fair to say you can expect unadulterated communication about the state of recruiting today by two of the sports Deans” Ryan McClerman – Baltimore Crabs.

“Leading Edge Lacrosse is excited about the partnership we have formed with PreGame Lacrosse. Over the past 10 years we have continued to see the recruiting process change annually. This constant change has made it difficult to understand and manage from both a club and player/family perspective. Partnering with PreGame will provide our families with access to experts in the field of college recruiting and player assessment.” Marc Moreau- Leading Edge Lacrosse.
