MAXPAY™

Liberty makes business fair. Where most pay plans are meant to reward only a few, **MAXPAY™** puts success within reach of everyone. There are **FOUR** ways to earn money with Liberty.

1. The Initial Sales Bonus - We will pay you 60% of the first purchase made by your personally sponsored Independent Representatives. This means that you can earn \$18 to \$60 of your personally sponsored Independent Representatives first month's purchases. Only the sponsor will receive commission from the first month's purchase. Commissions on following month's purchases will be paid to qualified representatives as usual. This Initial Sales Bonus is paid **WEEKLY!**

2. The Retail Plan - You can start making money your first week in business using The Retail Plan. You can earn up to 150% on every bottle you re-sell to your customers. That's up to \$45.00 per product!

In any month in which you purchase \$100 worth of product, you are qualified to purchase additional product for \$10-\$30 each. You can retail these products for \$30 to \$75 a bottle. If you are a recruiter, the Retail Plan will also increase your monthly earnings, driving your teams orders towards \$100. Although the wholesale product purchases are not commissionable, we do pay full commissions on the initial \$100.00 qualifying purchases, increasing the monthly earnings for the recruiters. **Everybody wins!**

3. The 4 X 5 Matrix - Here's how it works: Purchase at least one product monthly (for resale or personal use). When you refer others to Liberty Health Network, LLC and they purchase products, we will pay you commissions on their purchases. When those members you have referred have their own referrals, you will earn additional commissions on those purchases. This can continue through 5 levels. Level 1 pays 5%, Level 2 pays 10%, Level 3 pays 10%, Level 4 pays 40% and Level 5 pays 10%.

Everyone who joins under you is placed in your 4x5 Forced Matrix (compressed monthly for maximum payout) -- 4 people on the first level, 16 on the second, 64 on the third, 256 on the fourth and 1024 on the 5th. Earn an unlimited income! A 4x5 matrix is designed for a potential payout of \$21,300.00 a month!

Just do the math:

$$\begin{array}{r}
 \underline{\hspace{2cm}} \text{ People on your 7th. Level} \quad \mathbf{X} \quad \$ \underline{\hspace{1cm}} \text{ Average Sale} \quad \mathbf{X} \quad 5\% = \$ \underline{\hspace{1cm}}, \underline{\hspace{1cm}}. \underline{\hspace{1cm}} \\
 \text{Up to 16,384 Potential} \qquad \qquad \qquad \text{Up to \$100.00 Per Distributor} \qquad \qquad \qquad \text{\$81,920.00 Monthly Maximum Payout}
 \end{array}$$

What if you only earn 1/2 as much monthly from this one bonus?
