

NOTICE TO OUR PATIENTS

(Los Angeles, SF Valley, San Gabriel Valley)

***ILLEGAL 420 CLINICS and DOCTORS SUED FOR
UNLAWFUL PRACTICE OF MEDICINE, FRAUD, TAX EVASION AND FALSE REPORTING OF TAXES,
MONEY LAUNDERING, RACKETEERING and a CRIMINAL INVESTIGATION is being initiated.***

***Lawsuit filed in Los Angeles Superior Court, Case No: EC057099
and is a matter of PUBLIC RECORD for ALL PATIENTS TO SEE!!!***

Unfortunately, we are sorry to announce that just like in early 2010, we are going to have to DENY ACCESS to patients whose recommendations were issued by the ILLEGAL 420 CLINICS and or DOCTORS listed below.

If you have any questions, please visit www.LEGALinfoWEBSITE.com or email them LEGALinfoWEBSITE@yahoo.com so that you can access all the public information yourself.

Please visit a **LEGAL and CA MED BOARD Licensed medical marijuana** clinic to obtain a NEW REC because if your recommendation was issued by any of the DEFENDANTS, it will be **REVOKED** just like in 2010 when over 30,000 patients had their recommendations REVOKED because of fraudulent doctors.

This matter is **100 times MORE SERIOUS** and will be **CRIMINALLY INVESTIGATED** as well because the defendants have clearly been identified as **NON DOCTORS** who are operating this **CRIMINAL GROUP in CA** and other states.

How to make sure the MMJ clinic you will chose in the future is LEGAL:

1. Go to: www.MBC.Ca.gov/licensee
2. On LEFT SIDE under QUICK LINKS go to: ***Fictitious Name Permit***
3. Click on ***Name Search for Fictitious Name Permit***
4. On next page, in the Business Name Field: **INPUT the EXACT NAME OF the MMJ CLINIC**
5. The Fictitious Name Permit Information screen will appear if MMJ clinic is licensed
6. You will clearly see the FNP#, address and Permit Status: **LICENSE RENEWED & CURRENT**
7. If your MMJ clinic search **DOES NOT** reveal an FNP Permit, it's an **ILLEGAL CLINIC!!!**
8. If your MMJ clinic search reveals a DIFFERENT NAME that's NOT EXACT, it's **ILLEGAL!!!**
9. The LAW clearly states that the FNP# License has to be EXACT NAME as ADVERTISED
10. One more step. Go to your MMJ clinic and ASK **the front desk WHO OWNS THIS CLINIC?**
If you **DO NOT GET A DIRECT ANSWER** that it's a **Doctor or Professional Corporation**, then **YOU SHOULD BE VERY SUSPICIOUS** and **CHOSE a CLINIC that is DOCTOR OWNED!!!**
