

**FOR IMMEDIATE RELEASE
NOVEMBER 7, 2011**

**DEFENSE TECHNOLOGY LEADER PARTNERS WITH CYBRIX GROUP TO SUPPORT USSOCOM'S
GLOBAL ENTERPRISE IT SPECIALTY SERVICES REQUIREMENT**

Tampa, FL, November 7, 2011 – Cybrix Group, a systems integration and technology services firm, announced that it is on one of the winning teams awarded a contract under the U.S. Special Operations Forces Information Technology Enterprise Contract (SITEC) for Specialty Services as a team member of DRS Technologies, a leading defense technology provider. The contract is a five year IDIQ (Indefinite Deliverable Indefinite Quantity) contract with a maximum value of \$362 million. Under the contract, Cybrix will work with DRS to assist the U.S. Special Operations Command (USSOCOM) with various tasks required to accomplish its mission.

Selected by DRS Technologies to perform certain information technology projects required of the contract, Cybrix Group will be providing support and maintenance for USSOCOM headquarters located at MacDill Air Force Base in Tampa, FL, as well as for other domestic and international locations.

This is the second contract under the SITEC umbrella awarded to teams that include Cybrix Group. "We are honored to be continuously recognized by our partners and the U.S. Government for our advanced information technology solutions and support as well as our ability to execute. Cybrix Group is also proud to be a part of the answer to keeping this country safe and proud to be an integral part of the Special Operations Defense community" said Tim Jones, President.

About Cybrix Group – The Cybrix Group, Inc. is a systems integration and technology services firm that specializes in the convergence of voice, video, and data systems. We are a Veteran Owned Small Business (VOSB) consisting of a team of seasoned technology and business professionals who provide network management, cyber security and technology acquisition services to both the government and commercial sectors.
