

EL DESTINO PLANTATION

• THE DESTINATION •

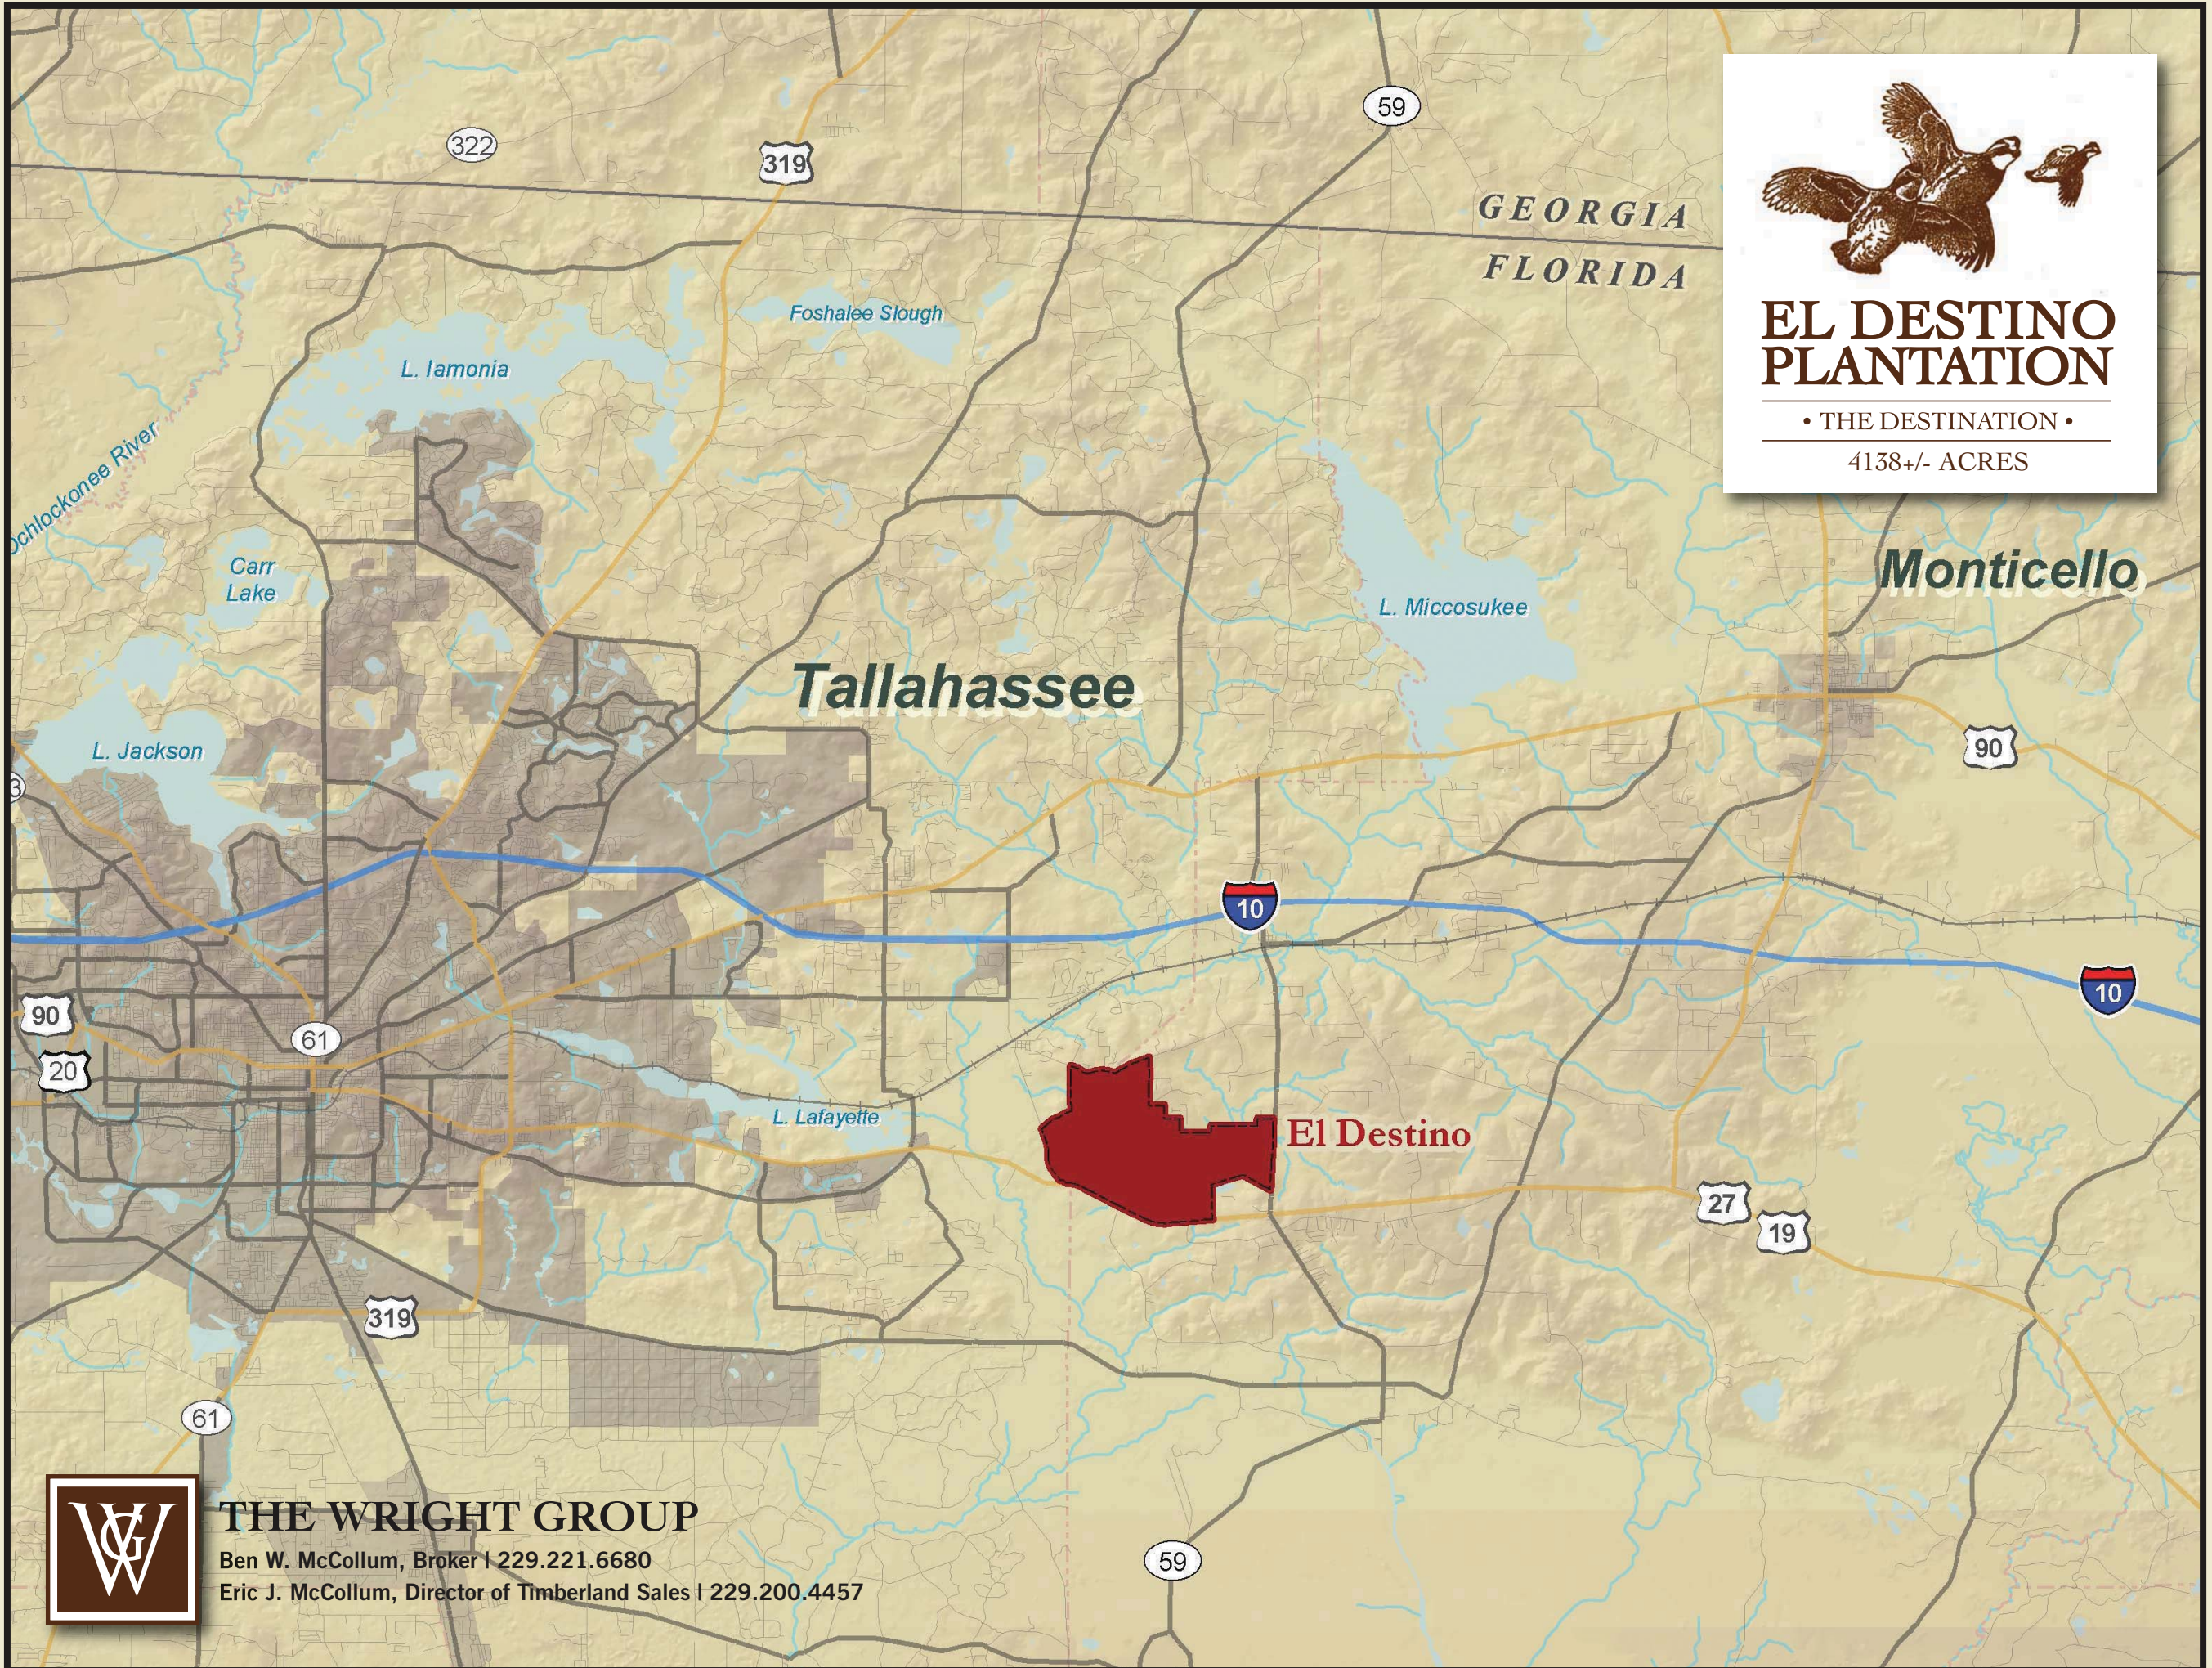

EL DESTINO PLANTATION, located in the famed Red Hills of north Florida, represents an incredible opportunity to own one of the area's most diverse wildlife and recreational properties. Consisting of 4138+/- acres, El Destino has been intensively managed for generations to support a prolific bobwhite quail population. In addition, there are numerous duck ponds, dove fields, and excellent whitetail deer and turkey habitat. This is a "best in class" property that is well priced at \$4895/acre.
