ABOUT THE FILM

Carmen lives in Chicago with her large family and is working at a grocery store to put herself through junior college. She dreams of a life in which she can express herself through music and movement.

Encouraged by her professor to audition for a dance program at a California college, Carmen fears she has neither the skill nor the sophistication to flourish outside her environment. With the encouragement of her friends and mentor Loli, Carmen finds the inner strength to make her dreams a reality.

ABOUT THE CHARACTER

Jossara Jinaro plays the sexy, beautiful and tough 'Loli' in *GO FOR IT!* released by Lionsgate Films. Loli is the leader of a dance crew and a single mother with a 6 year old daughter she adores.

Loli is a truly exceptional dancer but has settled for what she has in life, performing with her "All-Stars" at a Chicago dance club.

As Carmen's mentor, Loli keeps pressuring Carmen to work harder, to better herself, not to settle for a mediocre performance. When Carmen asks for special training to ace the dance audition in California, Loli has to decide if Carmen is worth the investment.
