

## The Ideal Health Screening Tool

CardioChek® has screened over 50 million people in over 104 countries around the world for Cholesterol, HDL, Triglycerides, LDL, and Glucose. Most recently, U.S.-based CardioChek has screened multiple military and VA Hospital groups under GSA contract #V797P-5961X. The CardioChek test system provides a health screening test result in 2 minutes and is the most cost-effective Point-of-Care testing device on the market offering immediate counseling opportunities. The device is battery-operated, and no refrigeration for test strips is needed, which makes it the most versatile screening tool to promote preventive health care.

## Features & Benefits of the CardioChek Test System

### Fast

Results in about 2 minutes.

### Portable

Hand-held and battery-operated.

### Versatile

Ability to test multiple-assay panels or individual tests.

### Immediate Counseling

Fast turnaround time allows for on-the-spot patient counseling.

### Simple

Small sample (15-40 $\mu$ L, fingerstick or venous [EDTA or heparin]).

### Convenient

Test anywhere, anytime and store last 30 tests for recall.

### Stable

Room temperature strip storage 18-24 months (no refrigeration required\*).

### Connectivity Options

CardioChek Printer and Data-to-computer software available (CardioChek Link®)

### Reliable

Meets NCEP guidelines.

### Certified

CLIA-waived, FDA-cleared, CE-marked, and CRMLN certified.

## CardioChek® PA Connect Family of Products Ordering Information

CardioChek® PA Devices & Accessories	Units	Catalog No.
CardioChek® PA	1	1708
CardioChek® PA Printer (compatible with CardioChek® PA versions 2.55 and greater)	1	2150
CardioChek® HRA Software + Cable (includes health risk assessment software and cable)	1	2176
CardioChek® HRA Software (includes health risk assessment software only)	1	2175
CardioChek Link® (from CardioChek PA device to computer supported on Windows 7, XP, and Vista)	1	995
CardioChek® PA + CardioChek Link® (includes software and cable)	1	1705
CardioChek® PA + CardioChek® PA Printer Combo	1	2161
CardioChek® PA + CardioChek® PA Printer + CardioChek Link® Combo	1	2165
CardioChek® PA Printer Labels	160 per roll	2151
PTS Panels® Test Strips, PTS Panels® Controls and Ancillary Products	Tests per vial	Catalog No.
CHOL + HDL + GLU Panel Test Strips (Cholesterol, HDL, and Glucose; calculates TC/HDL ratio)	15	2412
Lipid Panel Test Strips (Cholesterol, HDL, Triglycerides; calculates LDL Cholesterol and TC/HDL ratio)	15	1710
Metabolic Chemistry Panel Test Strips (HDL, Triglycerides, and Glucose)	15	2400
CHOL + GLU Panel Test Strips (Cholesterol and Glucose)	25	1765
CHOL + HDL Panel Test Strips (Cholesterol and HDL)	25	1821
Cholesterol Test Strips	25	1711
LDL Cholesterol Test Strips	25	1753
HDL Cholesterol Test Strips	25	1714
Triglycerides Test Strips	25	1716
Glucose Test Strips	25	1713
Ketone Test Strips	25	1718
ChekMate™ Quality Control Kit (each kit includes 2 sets of LEVEL 1 and LEVEL 2 dry control strips)	2 sets per kit	860
Multi-Chemistry Controls (for Cholesterol, Glucose, LDL Cholesterol, Ketone, and Triglycerides): Level 1 / Level 2	1 vial (each)	721
HDL Cholesterol Controls (Level 1 & Level 2)	1 vial (each)	722
15 µL Capillary Tube (glass, heparinized, blue line) for PTS Panels single test strips. Requires 1740.	25 per tube	1739
30 µL Capillary Tube (glass, heparinized, yellow line) for most PTS Panels 2-test strips. Requires 1740.	25 per tube	1766
40 µL Capillary Tube (glass, heparinized, red line) for PTS Panels 3-test strips. Requires 1749.	25 per tube	1745
Capillary Plunger for 15-30 µL Capillary Tubes	25 per tube	1740
Capillary Plunger for 40 µL Capillary Tubes	25 per tube	1749
15 µL Capillary Blood Collectors (plastic, black line)	25 per bag	5655
30 µL Capillary Blood Collectors (plastic, black line)	25 per bag	1777
40 µL Capillary Blood Collectors (plastic, red line)	16 per bag	739
Unistik® 3, Single Use Safety Lancets (21 gauge, 2.0mm depth)	100 per box	1701
