

Leverage our expertise

**Hunter Hamilton has the finance
and accounting pros you need**

Specialists in finance and accounting.

Hunter Hamilton specializes in providing qualified professionals to strengthen your organization's vital functions.

Recruiters who know the ropes.

Hunter Hamilton recruitment associates are exceptionally qualified in professional workforce management and are highly attuned to the intricacies of finance and accounting staffing, SmartSourcing and executive search.

Bigger does not mean better. When other staffing firms try to be all things to all people, they often emphasize quantity over quality, sending their clients too many unqualified candidates. Hunter Hamilton is on a different mission: finding the right talent for you, every time.

Consultative approach to our

partnership with you. Operating with entrepreneurial independence and leadership at the local level, Hunter Hamilton assesses your unique situation to provide effective solutions by:

- Identifying specific needs and recommending appropriate action
- Initiating extensive discovery to match the right talent to your requirements
- Applying in-depth screening techniques and skills assessment before you interview any talent
- Employing orientation and on-boarding procedures that fit your organization
- Conducting frequent satisfaction checks to ensure your needs are met
- Promptly resolving any issues that may arise

Attracting and retaining qualified professional talent.

Effective recruitment of high performers requires a clear understanding of the work environment, company culture, job requirements and “what’s in it for them.” To find the best people available, Hunter Hamilton utilizes:

- Investments in advertising and networking to source both active and passive job seekers
- Advanced technology and social media to renew and expand our extensive contact database
- A full array of benefits offered to all talent we employ

As good as the people we place. Hunter Hamilton offers you an unconditional guarantee of excellent service. If, for any reason, a temporary assignment placement does not meet your expectations, you will not be charged for that person’s time. Choose Hunter Hamilton with complete confidence and zero risk.

Excellent service at every level. We have the experienced talent you need, from resources for projects to key leaders identified through our executive search services. As your recruitment partner, Hunter Hamilton can help you strengthen your finance and accounting functions, and improve your bottom line by quickly sourcing senior level finance and accounting professionals for both contract engagements and direct hire positions. When you leverage our expertise, the advantages accrue to you.
