Newport Beach Hotel Celebrates Holidays with Special Restaurant Menu

The Newport Beach Marriott Hotel & Spa and the on-site Sam & Harry's Restaurant offer guests and residents three different holiday menus.

Newport Beach, CA – The cooks at [Sam & Harry's Restaurant](#) have been busy preparing for the holiday season. Thanksgiving, Christmas and New Year's Eve, while weeks apart, require weeks of preparation ahead of time. For those living in the Newport Beach area, they can enjoy three delicious holiday meals, masterfully prepared and perfectly executed. Imagine: instead of slaving over an oven and stove for hours, guests and residents of Newport Beach can simply reserve a table and enjoy a delicious holiday meal.

Sam & Harry's Restaurant, located at the [Newport Beach Marriott Hotel & Spa](#), welcomes guests with

three very special holiday menus. The 2011 Thanksgiving Menu starts at 1 PM and lasts until 9 PM on Thanksgiving Day. Starting at \$51 per person, the Thanksgiving Menu is a three-course meal. Guests will start with fresh cruditee, roasted garlic chipotle hummus and fresh baked artisan rolls. The next course is a choice of butter squash bisque with crabmeat and fried leek or a fresh salad. And no Thanksgiving meal would be complete without a turkey or ham. Guests can choose from a roasted turkey with all the traditional Thanksgiving sides, prime rib, king salmon or baked ham.

Christmas at this Newport Beach hotel will also be celebrated with a dazzling display of decadent flavors and traditional treats. The Christmas Dinner Menu, served from 1 PM to 9 PM, also starts at just \$51 per person and includes four courses. Guests start with vegetables and hummus, followed by a choice of lobster bisque or a beet salad. The main course, similar to the Thanksgiving Menu, offers a choice of holiday favorites like turkey and ham, along with pepper crusted prime rib and king salmon with a caviar cream sauce. This Christmas feast concludes with a choice of delicious desserts, ranging from chocolate cake to pineapple upside down cake.

Finally, those who wish to bring in the New Year at this Newport Beach hotel can indulge in a special treat to usher in 2012. Guests can select from three diverse menus, starting at just \$42 per person. Menu choices include lobster bisque and fresh seafood, prime rib with truffle mashed potatoes, or a filet mignon and lobster tail combination. All three menus offer three courses and all conclude with a succulent chocolate temptation dessert. Reservations for this New Year's Eve special are available at 5 PM.
