Retaining top talent has become a top priority for high performance organizations. Many factors impact retention, the most influential one is employee engagement. Please join us for this complimentary HRCI approved* webinar which will focus on four components of employee engagement and how these components impact retention: employee voice, leadership, teamwork and change management. A panel discussion with our speakers will conclude the webinar.

► Employee Voice

What is employee voice? What situations either cultural contexts, or leadership behaviors motivate voice and what are the benefits to employees and organizations?

► Inspiring Leadership

How is inspiring leadership defined and measured? What impact does inspiring leadership have on employees and organizations?

► Teamwork

What factors impact teamwork? (cooperation, workload, accountability and effort) How can organizations create strong teams with multiple generations in the workplace?

► Change Management

What successful change management methods are used in high performance organizations? What impact do these measures have on employee engagement?
