FREQUENTLY ASKED QUESTIONS

What is Senior Summer School?

Senior Summer School is an organization that works with universities, hotels and private residence halls to arrange educational summer getaway programs. We provide active and adventurous retirees with an affordable opportunity to experience great institutions of higher learning, while also giving them an opportunity to relax and take in the sights and sounds of our many lovely locations.

What classes will be offered and who teaches them?

Each Senior Summer School program will offer a variety of interesting classes. Popular subjects include: current events, political science, art history, literature, music and theater, and history of the local area. We do not focus on any particular subject; rather, we aim to touch on a variety of areas of interest, and make each curriculum unique, informative, and entertaining. Senior Summer School classes are taught by university instructors, professors, local celebrities and professionals in their field.

What additional costs are there?

- **Insurance:** We offer optional travel insurance, which for an additional fee includes medical coverage, flight, and baggage coverage, and cancellation reimbursement.
- **Sight-Seeing:** Each program offers a number of group sight-seeing opportunities. Typically, two or three of these are included in the price, with others offered as optional for an additional fee.
- **Meals:** You will be responsible for at least two meals during your stay. These meals on your own are a fabulous chance to explore the fine dining establishments around town or while you are out on a trip!

How do I register?

You can register by mail (forms are downloadable on the website), over the phone, or on-line. If you are receiving a discount off of the regular program price, full payment is due upon registration. If you are paying regular price for the program, a \$500 deposit is required. On April 2, 2012, all remaining balances are due and deposits will no longer be accepted.

What if I have to cancel?

If you need to cancel for any reason, until March 30, 2012 you are guaranteed to receive your payment back less a \$100 administrative fee. After March 30, 2012, refunds will only be possible if travel insurance has been purchased, either through Senior Summer School or an outside provider.
