Support Brackets for Extended Lengths

Value Wall Mounted Coat Racks and Storage Shelves

These handsome, time-tested, durable, Glaro coat, uniform racks, and shelves are designed and built to last a lifetime. The heavy wall rust-proof aluminum tubular design provides functional storage and makes a clean professional appearance. Add these racks or shelves to any type of wall construction to convert non-functional space into a valuable functional and efficient storage area. Shelves may be mounted above each other or above coat racks to maximize storage.

Glaro racks and shelves are a favorite choice for schools, locker rooms, closets, checkrooms, athletic departments, band rooms, restaurants, hotels, offices, garages, retail display fixtures, healthcare, restrooms, industrial, and anywhere storage is needed.

Lengths up to 48" are provided in single sections whereas longer lengths have precision fitted sections that easily connect with each other. The overall length is unlimited. All models may be expanded or re-configured at any time.

Use Glaro's matching heavy duty satin aluminum lifetime coat hangers to neatly hang garments and uniforms. Also ask about matching Glaro Wardrobe Racks, Coat Trees, Coat Hooks, and Umbrella Stands.
