

FOR IMMEDIATE RELEASE

FreelanceWriting.com Releases Free eBook to Help Holiday Shoppers Choose the Right Kindle Device

FreelanceWriting.com (<http://www.freelancewriting.com>), one of the most popular freelance writing websites since 1997, has released a free ebook, "[A Guide to Amazon's Kindle eBook Readers](#)." The 60-pg. ebook is an unbiased look into Amazon's Kindle e-reader devices, which include the Kindle Basic, Kindle Touch, and the new Kindle Fire.

"**A Guide to Amazon's Kindle eBook Readers**" helps potential buyers, who are thinking about buying a Kindle as a holiday gift or a gift for themselves, choose the best Kindle model that meet their needs. The latest Kindle models sport exciting new features that take the Kindle from a simple ebook reader to a versatile information delivery system. The free ebook provides detailed specs of each model and reviews all of Kindle's new functions and features.

In addition to the free ebook, readers can view large comparison charts of the different Kindle models and their features. These charts can be viewed online, enlarged to see all features, or downloaded and printed out.

"For the 2011 Holiday Shopping Season, Amazon has rolled out four new Kindle eBook Readers, with varied technology and price points," said Brian Scott, author of the free ebook and a regular contributor for <http://www.BookCatcher.com>, a [book writing](#) website. "In introducing these four new models, Amazon has adjusted the names for each Kindle version, so potential buyers may somewhat be confused which model is best for them."

An avid Kindle user himself, Mr. Scott debunks the most confusing and pressing questions about different features and functions among each Kindle model. He also provides insights into Kindle's new web browser and e-Ink technology.

Scott moderates a popular [freelance writing group](#) on Facebook at <http://www.Facebook4Freelancers.com>. His website, FreelanceWriting.com, helps aspiring and professional writers launch a freelance writing career. He and his contributors provide real-time [freelance writing jobs](#), [current writing contests](#), expert career advice, and daily news.

The free ebook is available as an instant download at <http://www.freelancewriting.com/ebooks-for-writers.php>. Visitors may also download other free ebooks that cover book publishing, creative writing and freelance writing.
