

# Wet Umbrella Bag Holders

**W**et floors are slippery and may result in "slip and fall" injuries. Help keep floors clean, dry, and safe! As visitors enter indoor areas offer Glaro's solution to managing dripping wet umbrellas.

Glaro manufactures the most comprehensive selection of attractively designed, all aluminum wet umbrella bag holders. Choose a floor standing, wall mounted, or crowd control post mounted bag holder available in three durable rust/tarnish-proof finishes - satin aluminum, satin black, and satin brass.

Place Glaro Wet Umbrella Bag Holders in lobbies, entrances, parking garages, coat check areas, and by elevators, and escalators too.

### Features and Benefits:

- Keeps floors dry and safe
- Floor and post models are 2 sided
- Optional sign encourages use
- Bags fit all umbrella sizes
- All aluminum construction
- Base design prevents rust on floors
- Additional finishes are available
- Immediate shipping
- Manufactured in the U.S.A.

**Wet Umbrella Bag Holder with adapter bracket for Extenda-Barrier Posts**
