

Medical Billing Company Produces Medical Billing Tip Videos for iTunes and YouTube

Capture Billing & Consulting, Inc., is producing videos for iTunes and YouTube with medical billing tips to help physicians and their practices with their medical billing

Loudoun County, VA - Capture Billing & Consulting, Inc., a medical billing company located in South Riding, Virginia, has produced several short educational [medical billing tips](#) videos to help medical office managers, medical coders and medical billers with coding and other similar topics. The short videos provide tips on medical billing.

Capture Billing's short [medical billing videos](#) are produced with medical billing and coding in mind. Some of the topics these videos cover are coding for [Medicare Flu Shots](#), [Charging Patient No-show Fees](#), and information on electronic health records (EHRs) and [Meaningful Use](#) to name a few. Manny Oliverez, CEO and Co-Owner of Capture Billing, is not only a Certified Coding Professional he is also the creator and host of these videos.

"We began producing these videos to help inform physicians and medical practices of recent changes or current challenges that occur within the medical billing field. We have received thousands of views and a great deal of positive feedback to our videos which has encouraged us to produce more", says Manny Oliverez.

The "Whiteboard Series" is a series of two to three minute videos focused on current topics within the medical billing field, as well as review of proper billing and coding procedures. All of the current videos have been posted on iTunes and on Capture Billing's YouTube channel. Viewers may also subscribe to the series. By subscribing to the series of podcasts the viewer will be able to download current videos and they will be notified when new videos become available.

ABOUT CAPTURE BILLING

Capture Billing and Consulting, Inc., a leader in the outsourced medical billing services industry, offers one of the most cost effective outsourcing solutions to healthcare professionals available. By eliminating the need of an in-house medical billing staff, Capture Billing's staff of expert medical billers and certified professional coders help to increase physician reimbursement by improving collection rates and ensuring proper ICD-9 and CPT coding. Practicing physician and CEO, Dr. John D. Farrell, Jr., formed Capture Billing in 2004 as the answer to one of the largest concerns physicians face today, how to receive proper insurance reimbursement for services they provided.
