Why Attend?

Join us in a city near you and attend a SharePoint Vision Lab to

- Learn how SharePoint 2010 can help you meet your business goals
- Hear how other organizations are currently using SharePoint 2010, including best practices — and lessons learned
- See how the features and functionality of SharePoint 2010 can come together to help decision makers analyze and act—quickly
- Hear the top reasons SharePoint implementations succeed — and fail
- Understand how to set up your next SharePoint project for success by learning how to plan for and manage change at key points during the SharePoint project lifecycle
- End the day with a SharePoint Vision Roadmap and the basic tools needed to help employees understand why change can be good

MAX451 at a Glance

We are CHANGE AGENTS providing OUTSIDE PERSPECTIVE with INSIDER EXPERIENCE.

MAX451™ Founder & CEO, Kristian Kimbro Rickard, left the Microsoft SharePoint Product Group when she realized she could assist customers better from the outside, with her insider experience.

MAX451 consultants are Change Agents. They have a unique blend of talent, with both deep Microsoft® SharePoint® and Organizational Change Management (OCM) expertise -- a rare juxtaposition of skills that are critical when guiding customers along their SharePoint journey from establishing a SharePoint Vision to reaching User Adoption.
