
NEW DUST RIGHT™ DUST PORT KIT FROM ROCKLER EXPANDS THE REACH OF DUST COLLECTION SYSTEMS

Innovative Port System Connects Quickly and Easily
to Any Power Tool with a 2-1/2" or 4" Dust Port

MEDINA, MN (November 30, 2011) - Rockler Woodworking and Hardware has introduced the Dust Right™ Multi-Port Quick Release Starter Kit, creating on-demand dust collection for any shop tool with a 2-1/2" or 4" dust port. For the many hobbyists and owners of small professional shops who lack adequate dust collection with the suction power to handle multiple tools, the Dust Right™ Multi-Port Quick Release Starter Kit is an ideal solution. Tool ports feature a 4" handle/hose port and either a 2-1/2" or 4" tool port (two of each), making it possible to include a wider variety of power tools in dust collection operations.

"Dust made from woodworking is a major problem for every woodworker", said Steve Krohmer, Vice President of product development. "The Dust Right™ Starter Kit expands the versatility of a dedicated dust collection system, allowing woodworkers the opportunity to keep more work space free of dust and debris without having to create a single, direct line to every tool. Just one flexible hose, connected to the Dust Right™ Handle, can be used to reach everything from a band saw and table saw, to a router table, planer, or joiner."

The complete set includes a Dust Right™ Handle, four Dust Right™ Tool Ports, and five Keyed 4" Bridge Hose Clamps to ensure airtight connections. With tool ports connected to any four shop tools, and the Dust Right™ Handle connected to a designated dust collection hose, woodworkers have the convenience and efficiency of moving dust collection from one tool to the next, quickly and easily throughout any shop.

The Dust Right™ Multi-Port Quick Release Starter Kit (49496) retails for \$39.99. It is available at Rockler Woodworking and Hardware stores nationwide, Rockler's independent resellers, Rockler.com, or in the Rockler catalog. For store locations or a free catalog, please visit www.rockler.com or call 1-877-ROCKLER.
