### **Carson Dunlop and the Canadian Association of Accredited Mortgage Professionals (CAAMP) Form Strategic Training Partnership**

Toronto( December 1,2011) Carson Dunlop and the Canadian Association of Accredited Mortgage Professionals (CAAMP) have formed a strategic training partnership to provide new professionally designed continuing education courses for mortgage professionals. Technical content is delivered in a highly visual and easy-to-understand format. The continuing education courses will be offered through CAAMP's online learning platform, Mortgage Campus.

"We are thrilled to be working in partnership with Canada's national mortgage industry association," commented Alan Carson, President of Carson Dunlop. "The addition of Carson Dunlop's continuing education courses to CAAMP's Mortgage Campus represents a significant benefit for mortgage professionals as they can now easily access richly illustrated courses to enhance their knowledge." added Mr. Carson.

"This education partnership enhances CAAMP's ability to offer quality, relevant continuing education to all mortgage professionals. The new courses will broaden the variety of topics currently available for AMPs seeking to diversify their industry knowledge while earning continuing education units to maintain their designation." said Jim Murphy, AMP, President and CEO of CAAMP.
