### eBooks for people on the go that will educate and inspire!

Do you know which world famous singer had a stutter? Have you heard the amazing story of the prolific inventor who was known as “Lady Edison”? Or the inspirational story of Mohandas Gandhi who led India to independence, and paved the way for civil rights movements around the globe?

If not, you may want to check out the new eBook series from the Amazing People Club. New titles in the series include:

- Amazing Escapees
- Amazing Inventors
- Amazing National Leaders
- Meet Aristotle
- Meet Pablo Picasso
- Amazing Olympians

This new eBook collection offers some inspirational tales for the holiday season. Their short format and accessibility mean they are perfect for people on the go, who want stories with a difference.
