**ProbioticSmart.com Donates Health for the Holidays**

*“ProbioticSmart.com Teams Up with Customers to Donate Supplements to Humane Society”*

**Menomonie, Wis., Dec. 5, 2011** – Across the United States animal shelters work hard to care for the millions of animals that find themselves in shelters every year. To help these animals recover from the stress of their unfortunate situation, ProbioticSmart.com has teamed up with their customers to donate much needed health supplements to the Eau Claire County Humane Society in Wisconsin.

“We know pet health, it’s not only our business, it’s what we love.” said Punkaj Jain (PJ), Vice President at ProbioticSmart.com. “With the help of our customers and this donation program we will help provide animals in need with the necessary supplements to help them get adopted into loving homes.”

During the month of December, when a customer donates \$2 towards the cost of PSCPets.com High Calorie Gel, ProbioticSmart.com will match the \$2 donation to cover the full cost, with 100% of the customer donation going towards the purchase of the supplement. PSCPets.com High Calorie Gel provides a source of essential calories and is ideal for animals that are young, ill, recovering from surgery, whelping, or during times of stress. In addition, for each tube that a customer helps donate, ProbioticSmart.com will also donate one tube of Stable-Lyze, which is designed to help maintain the beneficial bacteria balance in the digestive system of animals, thus increasing overall nutrient absorption and immune system function. These two products that are being donated were specifically chosen to meet the needs of rescued and sheltered animals to help them remain healthy while they are waiting for their new homes.

Complete details about this program can be found online. Those who wish to participate and help ProbioticSmart.com Donate Health for the Holidays can visit www.pscpet.com/donate-health or by calling customer service at 1.888.873.9719
