

Your Alarm Now Offering 20 % Discount on Homeowner's Insurance with Their [Home Security Systems](#).

Nation's favorite dealer of [home security systems](#) Your Alarm Now has started offering a 20 % discount on homeowner's insurance to its customers along with their package of security systems. The company has made a name recently in the home security industry by providing top class security service in all the major regions of the United States and Canada.

Surprise, AZ (PRWEB) December 04, 2011

Noted [home security systems](#) manufacturer You Alarm Now has decided to offer a 20% discount on homeowner's insurance to all their customers when they install the security systems of the company. Your Alarm Now is a familiar name in the United States and Canada by virtue of their top class products and services. The company provides comprehensive protection to the life and property of its customers for an amazingly low price. The complete range of products offered by the company includes some of the most efficient security devices ever manufactured by any company. Your Alarm Now is headed by renowned industry expert Mr. Paul Shakuri.

Many [home security systems](#) providers offer discounts on homeowner's insurance with their package. However, not many are known to provide as handsome a discount as offered by Your Alarm Now. Breaking the news, the owner of the company Mr. Shakuri said, " We are happy to announce that our customers can now avail 20% discount on their homeowner's insurance when they install our system ". Home insurance is a form of property insurance that covers personal homes. The policy is a combination of different types of insurance protection against any loss pertaining to home and its contents. In the United States, homeowner's insurance is required to avail mortgage loan while buying a home.

The customers of the company have thanked Your Alarm Now for providing this amazing rate of discount on their homeowners insurance. The [home security systems](#) for Your Alarm Now are available for an easily affordable rate of only \$ 35.99 per month. Customers prefer their service over most other security system providers because of their top class service. The company has been making constant upgradation of their service since they appeared in the market. The introduction of this amazing discount will certainly strengthen their position in the industry.

About the Company: Your Alarm Now is one of the most distinguished [home security systems](#) manufacturers in the United States. They provide top notch home security service throughout Canada and the United States. The company is now offering 20% discount on homeowner's insurance to their customers.
