

Your Alarm Now Offering Free Wireless Control Key With its [Home Security Systems](#) for the Month of December.

Trusted [home security systems](#) dealer Your Alarm now has recently declared that the customers installing their security packages will now receive a wireless control key absolutely free. This offer will remain valid for the entire month of December. The company offers their service all over Canada and America. Their security packages are equipped with some of the most advanced security devices.

Surprise, AZ (PRWEB) December 06, 2011

Your Alarm Now is amongst the frontrunners in the industry of [home security systems](#) in Canada and the United States. The company has just announced an exciting free benefit for customers who install their packages. These customers will receive a free wireless control key for no additional expense. This offer will remain valid throughout the month of December. This wireless control key is a very popular component of the packages that are offered by Your Alarm Now. This free offer was announced last week by the owner of the company Mr. Paul Shakuri. Mr. Shakuri has almost a decade of experience in dealing with different types of security systems.

Announcing the free offer with their [home security systems](#), Mr. Shakuri said, “You will receive a free wireless control key with all our packages for the entire month of December”. This control key is a tiny device with extraordinary features. The unit looks almost like a car alarm remote that is extremely easy to carry. This amazing device can control all the security devices installed in the house by the pressing of a button. It is also equipped with a panic button that can be of immense help during an emergency situation to call for emergency assistance. This wonderful tool is highly popular amongst the customers of the company.

Apart from this wireless control key, the complete package includes a wide variety of advanced equipment. The company is dedicated to providing the best to its customers. They have been introducing new devices to their range of products ever since they started providing their [home security systems](#). The company boasts of a highly qualified team of technical experts with years of experience in this field. Company sources have revealed that they are about to announce more benefits for customers in the months to come.

About the Company: Your Alarm Now is a domestic security provider that operates throughout the United States and Canada. They are presently offering a free wireless control along with their home security package. This offer will remain valid throughout the month of December.
