Sino Language Gateway 華語之橋

SLG was established by American and Chinese professionals in 2003 to promote cultural and educational exchange for young people between China and the rest of the world. Our Chinese language & culture immersion summer camp has attracted thousands of students from 20 more countries around the world. Focusing on offering top notch education and a fun experience, our summer camp helps worldwide teenagers quickly integrate into Chinese culture, learn the Chinese language and put to practice the skills they wish to or have already acquired in one of the world's largest economy.
