

ABOUT DIGISCRIBE

Digiscribe implements cost-effective [document scanning services](#) and [document management services](#) that help companies, non-profits and medical offices reduce costs, operate more efficiently, and go green.

Companies rely on Digiscribe to achieve superior efficiencies and reduced costs in paper intensive processes including accounts payable, human resources and customer service. Services can be outsourced to Digiscribe's Kodak Certified processing facility, located just outside of New York City, or implemented on-site.

Digiscribe's expertise is in document scanning services, e-forms, online document management, in-house document management systems, mailroom services, workflow automation, full-text OCR services, e-mail management, document indexing, document imaging software and box & media storage.

The company is one of the largest resellers of Digitech Systems' Electronic Content Management product suite in the New York tri-state area, a third year inductee into Digitech's Circle of Excellence, an Advisory Trade Member of AIIM, a Westchester APEX award recipient and a certified BBB member.
