HELP ST. JUDE'S RANCH FOR CHILDREN, RECEIVE FLORIDA BEACH RESORT CREDIT

Guests staying at the Sandpearl Resort can earn resort credit by bringing old holiday cards, which will be donated to the St. Jude's Ranch for Children Recycled Card Program.

Clearwater Beach, FL – The Sandpearl Clearwater, Florida, Beach Resort has partnered with the St. Jude's Ranch for Children to help those in need and to offer a special [Florida beach hotel package](#). From now until December 31, 2011, guests that bring in used holiday greeting cards will receive resort credit.

This Florida beach hotel package offers guests a special way to earn Florida beach resort credit while helping a good cause: for every 20 used holiday greeting cards brought in, guests will receive \$10 in resort credit, up to a maximum of \$50 per room per stay. To take part in this special Florida beach hotel package, simply present the holiday greeting cards at the front desk upon check-in.

The Sandpearl Florida beach resort takes these cards and sends them to the [St. Jude's Ranch for Children](#). There, the children create new greeting cards from the old and then send them to St. Jude donors. Not only does this give donors a memorable and unique thank you card, but it also teaches the children at the St. Jude's Ranch entrepreneurial skills. People from all over the world purchase these greeting cards to spread holiday cheer in addition to supporting the efforts of the St. Jude's Ranch for Children.
